Opening the Door of the 21st Century Classroom

Gustavo González

The 21st century classroom is a land worth exploring. Behind that closed door, different possibilities await: “The Promised Land”, “Never Ever Land”, “Fantasy Land” or “La La Land”

Let’s open that door to discover what our students need and become explorers of a world unveiling to us, providing us with digital technologies that can be great tools to include in our classes. We, teachers, can make the new millennium classroom paradise or hell. The choice is ours!
